PRICE LIST

OF

Gladioli

AND

Dahlias

Foreword—In handing you this 1930 Price List, I want to thank you for your patronage, in the past Season.

I believe my prices are reasonable, not as low as some I have seen quoted, but at prices as low as I can afford to sell them, and I guarantee all my Customers will get a square deal, and their money’s worth.

I will ship, anytime after April 10th, parcel post prepaid. Bulbs should be unpacked promptly, and kept in a cool place until ready to plant. I will not substitute unless you so specify.

One dozen bulbs at ten times the price of one; six at the dozen rate.

Cut Flowers for sale, during Season, from about July 10th until frost, by the dozen, hundred, or thousand.

I would be glad to have you visit the Garden during the blooming season, and see for yourself, the quality of flowers that I grow.
